

RENTALS AT THE FLOOR

The Floor has three studios spanning two floors on Atlantic Avenue. We offer space and support for dance makers as well as movement professionals.

All studios are shoeless.

STUDIO PROCEDURES

We use an online rental request form through MindBody. [You can find our page here.](#) There is a Rentals tab at the top, from there you can view availability and request space. Specific requests and duration of rental can be added into the notes. In your MindBody profile, add a credit card to keep on file to process the rental payments. **There is a 24 hour cancellation policy on all rentals.**

STUDIO ETIQUETTE

In order to maintain a clean and functional facility for all renters the following guidelines must be upheld:

- NO glitter,
- NO fire/candles
- NO feathers
- All studios are shoeless
- Door codes can not be given out to dancers, clients etc..
- Arrive no more than 15 min before your rental.
- Exit the studio at the end of your scheduled time.
- Leave the studio clean and organized for the next renter.

*There will be a \$225 cleaning fee if these protocols aren't upheld.

NON-PROFIT SUBSIDIZED SPACE

We are able to offer subsidized space to dance makers with a grant from Dance/NYC and The Mellon Foundation. We need all artists who rent the space at this rate to fill out an Artist Survey form with Dance/NYC. This needs to be done every calendar year. It is short and should only take about 5 mins. [Here is the link.](#)

****Subsidized space is only available to non-profit dance rehearsals****
